Traffic Complaints Increase With Summer

**Just a Friendly Reminder... Slow Down...Enjoy the Lake surroundings...
Life goes by fast enough.**

We have received a lot of traffic complaints. With the summer arrival, population increase, more children out, riding bikes, & more people enjoying a walk about the area. Remember the basic rules of the road. Stop completely at stop signs, obey the speed laws (30 k.p.h. max) be careful when passing by the Volleyball, Basketball Courts, two play structure areas along West, or any other street within our area...as you never know if a child playing or wild life, can dart out onto the road way. At 30 k.p.h. you have a greater stopping ability.
