Spring Meeting

Old Business arising from the previous Meeting

Beach Stairs – A deadman Anchor system was installed in late Sept. 2016 to lessen stress and decrease the pull of stair structure from the top ramp. The system is working extremely well. Thanks to Grant, Herb, Carol & Edith maintenance crew.

CPR Update – Anna Gunn reported that CPR training is available at the cost of \$67.00 per person for a 4 ½ hr class. Maximum class size is 12 people, so if more than 12 are interested; a second class can be scheduled on the same day. Adults and children are welcome. Date TBD. Further details will appear in the email distributing the minutes.

NEW BUSINESS

Ken Jansen suggested that the stair structure be protected with a coat of water seal. Funds to cover the cost are in the budget.

MAINTENANCE ITEMS

Thanks to Audrey Batchelor for taking care of the 2 flower boxes at the entrances.

The bank on the north side of the beach stairs has collapsed about 3 ft. A contractor was consulted for recommendations on what could be done to stabilize the slope and at what cost. It was recommended to slope the bank as this would remove some top weight on the bank. The quote for this work is \$ 650.00. At a later date, add rocks onto the slope. The quote for adding the rocks to the slope came in at \$ 3,000.00 plus tax. The total cost of the project is over what the current budget permits. The use of alfalfa was also suggested as it has a deep root system and would help in stabilizing the soil.

We need a fresh coat of paint on the lines of the basketball court. The Volley ball posts are leaning and need straightening. Volunteers please contact the association via email.

Barriers to Green Spaces -

The RM have indicated they will dig new holes for the missing posts, and add a few more at the volleyball court. The association will paint all posts to freshen things up.

Signage to Beach Areas -

Anna requested "Zebra Mussel" and "Swim at your Own Risk" signage be installed at our beach areas. Mayor Fiebelkorn advised that she will look into this and get back to the association.

GENERAL TOPICS OF DISCUSSION

Swim Program Needing Mentorship for next season. Someone to shadow the Swim coordinator... To assist, stand in, and keep the program moving forward in the future. Laila Schwartz, expressed an interest for helping (in a small capacity) with next season program. Judi Jansen, Thanked Christene for her time/efforts with the program. The children had fun, lots of new friendships between the children developed...new confidence in the children was noticed as they now had new skills for going into the lake.

Spring Meeting

A cottager from East Street would like an additional ditch to be constructed to improve water drainage. Mayor Fiebelkorn advised that cottagers with specific concerns should make a direct request to Public Works.

A cottager raised concerns about the lack of a wash rack at Balsam Bay Harbour. Ken Thomas advised that this is provincial jurisdiction and that they are installed intermittently not permanently.

A cottager raised concern with Mayor Fiebelkorn regarding ATV usage of the new Trans Canada Trail that runs through Lakeshore Heights. As well, concern was raised due to the lack of public consultation and notification. More info on the trail can be found **trailsmanitoba.ca**

The mayor agreed that communication could have been better handled, and that it was expected that RRANTA (Red River North Trail Association) would advise the association and property owners.

The Trans Canada Trail resolution was passed by council on Feb 11, 2014 (No. 2014-041), and is closed to discussion. A cottager noted that we are a privileged community to have this trail pass through LSH, and it is a positive for our community and property values.

It was noted that ATV infractions occurred this weekend while the bylaw officer was patrolling in our area. The Mayor will review the regulations with bylaw staff.

Updates from the Municipality

Main drainage back ditch update - survey and grading to be completed this season.

In regards to other drainage issues within our community, emails have been sent to PW outlining the areas that require attention. PW has confirmed that the requests have been identified and listed on the Service Tracker System. A surveyor will collect all the drainage data and assess the work to be done. A Drainage Crew within the PW dept. will be assigned to concentrate on small jobs. * Mayor encouraged anyone with issues to directly contact the RM. All requires/concerns are put into a queue for review and attention as per the RM ability & availability.

All the roads within LSH have been scheduled for an application of fresh gravel. Some of the streets were done last week and the plan is to have this all done by the end of May.

ELECTION OF EXECUTIVE

The 2 year term of the current executive will expire on Sept 3rd2017. Elections of Executive will be held that day. Three of the executive will not be running for election. Glenn has indicated that he will stand for election in the position of Treasurer. All other positions...Carol-Secretary, Anna-Vice P and Edith-President are seeking new incumbents. Please consider putting your name forward. Job descriptions are outlined in the Constitution available on our website & description will be emailed. Also, Carol, Anna and Edith would be more than happy to discuss their roles with anyone interested.

Herb Summerfeldt motioned to adjourn the meeting, seconded by Grant Markiewich.

Our next Meeting is scheduled for Sunday Sept 3, 2017 @ 11:00 a.m.

Spring Meeting

Post Meeting NOTE RE: Grand Marais sewer Utility rates

Upon the meeting adjourning... a question was presented to the Mayor Debbie Fiebelkorn... along with a few comments after the meeting... by LSH members who expressed disappointment that the dump fee was not discussed by the Mayor. Since the meeting was adjourned, the audience quickly exited the meeting and the free bins had the people exiting to warmer places.

Upon the brief conversations, a decision was made to have the LSH Executive send the mayor the list of questions presented after the meeting and the Mayor advised she would address the concerns...

Regarding the March 2017 two Public hearings were held RE: Grand Marais sewer Utility rates. Very good turnout at the Grand Marais venue and presentations were done. RM did send out a "Frequently asked Questions" information sheet, however this left more questions.

E-mail response from the Mayor received May 26, 2017

Regarding the recent meeting and items that were not discussed at the meeting, mainly surrounding the sewage dumping rates applied for by the municipality.

I can now advise that the Public Utilities Board (PUB) forwarded their decision to the municipality on Tuesday, May 23, 2017 and the information was posted on the RM website the same day.

The PUB set the rate at \$1.00 per cubic meter, effective September 1, 2017 and the vacant lots in Sunset Bay will be charged.

The complete PUB decision is available on our website at <u>www.rmofstclements.com</u>.

I believe this is the information you were looking for, but if you still require answers to any questions, please advise and I will have administration reply.

Yours truly, Debbie Fiebelkorn Mayor
