Presidents Message

We may not have hash tag (#) or be on TWITTER but we do have your email address. Technology is continuously changing and necessary in today's world. Although a good number of our residents are not of the Gen 'Y' generation, what we recognize is that we all want to be in the "NOW" and in the "KNOW". To be in touch with what is happening within our community & your neighborhood.

In the 1st year we obtained coordinate, and to this day maintain over 200 email address. Hence, you are in the "know" about your community when you receive the summer monthly E Newsletter publication.

Our community is evolving as more and more of you, our residents, provide input, insight and involvement.

To ALL of YOU, starting with the Executive Team, for your dedication in your contributions of time and energy required for what it takes to make a difference. Momentum can alter when we share the same vision. To our Web Master for spending countless hours on ensuring that our website is current and up to date. To our dedicated Street Representatives, who have contributed many valuable weekend hours to go out there and knock on doors representing the Association. To all of you, who have so generously contributed funds towards the Beach Access Project.

The success of this fund-raising endeavor has been proof positive that our community wants safe access to the lake and that we are prepared to undertake these types of projects to better our community. It has taken more than 3 years to achieve this, and it is materialising with construction commencing mid-September 2013.

Mostly, to the 200 + property owners who have demonstrated their support by paying their annual membership fees. These numbers not only represent your support but more so, your confidence in the Lakeshore Heights Association team and its vision in creating positive changes within our community.

With gratitude,

Edith

2012-2013 Executive Team

Iris Tymofichuk * Secretary

Lea-Ann Stevens-Malthouse * Treasurer

Anna Gunn Vice President * News Letters & Membership tracking

Edith Summerfeld President * Beach Access & Overseeing Association Operations

2012-2013 Two Year Accomplishments

"Many hands make for light work"

Vacant Position for Social Event Convenor: There is a need for a person to oversee all the events... This person would ensure all Host's have what they need or know where to obtain information for their specific event ... Should this be of interest to you, please contact the LSH executive via the above email.

L.S.H. Association Fall Meeting Sunday of the Sept long weekend 11:00 am
Election of the executive team, next two year term, will take place at this meeting.

Community Covered Structure... Did you know that as a Paid Member of the Association, you are able to book this area for your gathering such as Wedding, Family gatherings, Birthday Party, etc... You would be responsible for the portable toilet cost, propane, garbage removal, and set-up / clean up. For reservations, contact the LSH executive via email to reserve your date.

Don't trim trees near power lines... Before you trim or remove a tree from your yard, make sure there are no power lines new nearby. If you have a tree that's growing into a power lines do not prune or remove it yourself. Trees are electrical conductors and you could get a shock. Phone Manitoba Hydro **1.888.624.9376** instead to report it. Only qualified tree trimmers should trim trees growing into or near power lines. (REF MB Hydro Tip July 2013 Vol13, No7)

Don't pack away those gardening tools yet! If you would like your garden full of colour next spring, fall is the perfect time to plant bulbs that yield spring flowers, such as daffodils, tulips, hyacinth, crocus and snowdrops. Hardy fall bulbs must be planted in the fall, as they need to rest dormant during the long, cold winter. Ideal planting time is from September to December, even after the first front, as long as the ground can still be worked. Fall is one of a gardener's favourite seasons, because it is when you can get to plan and create what your garden will look like for next year.

Need a Worker Got a Worker 10 Recommended Business are in the program. Should you like to add a company to the list (found on our website & bulletin boards) contact the LSH executive via email to recommend...

New "**Beaches Junk & Refuse Removal Service**" Chris also offering roofing & more...

Or Contact George for Scrap Metal Hauling & **OLD Appliances...**

Did you know there is No arranged Community Garbage Pick Up Service in Lakeshore Heights... RM does not provide Garbage Pickup. It's up to YOU to take your garbage to the transfer station or landfill... This includes Dog Dropping Bags which have been noticed on our streets here in L.S.H.

Did you know... the Grand Marais transfer station accepts Recycling items including Electronics & TV'S

Beach Access Stair Project update:

The Rock work has been completed... Building of the stairs will take place Mid September 2013

Drainage & Ditches Update:

The director of Public Works from the RM of St Clements, Beaconsfield, is scheduled to come to Lakeshore Heights and meet with Edith to discuss and review the plan of action...

This meeting will take place the week of August 26th 2013

And report the results at the Sept 1st L.S.H. General Meeting

Should you have any crime information or have seen suspicious activity in our community

Please contact the **Grand Marais R.C.M.P** detachment **204.754.3494**

Just a reminder... this is a **911** calling area for Emergencies

Have a safe Fall

And Winter season...

Hope to see you Next Spring...

Edith & Anna
