

# LAKESHORE HEIGHTS COTTAGE OWNER ASSOCIATION (LHCOA) NEWSLETTER

*Spring 2011*

Welcome back to cottage country. Cottage ownership continues to change hands and many new owners may not be aware of the Association's existence. The main purpose of the LHCOA is to provide a venue for cottage/home owners to share ideas, concerns, as well as organize activities through volunteer involvement to enhance our lake community. The Constitution states: The presence in person of at least 20 members shall be necessary to constitute a quorum any general meeting. Your attendance is very important.

The Association meetings are held twice a year, **spring**, the Sunday of the May long weekend and **fall**, the Sunday of the Labor Day long weekend.

The executive member positions are held for a 2 year term, voting for the new executive will be held at the fall meeting of 2011.

One must be a paid member of the association to vote for a new executive.

Should you be interested in letting your name stand for the office of the following positions: President, Vice-President, Secretary, Treasurer, Social Committee and Membership Coordinator, please notify one of the current officers of the executive.
